600-700g Worsted weight solid yarn  
350-430g Worsted weight variegated yarn  
2 circular knitting needles 4.5 mm = US 7 (or fitting yarn and gauge),

- Gauge:  
18 stitches and 36 rows (=18 garter ridges) = 10 x 10 cm (4 x 4 in) in garter stitch using MC (US#7)
- You can easily use different yarns with a different gauge. According to the pattern, the raglan cardigan fits sizes 8 to 18 comfortably in the shoulders. During its construction, you can try on and adjust the *Spring Plumage* to fit your size. The sizes differ in the front panels by how much they overlap.
- Preconditions:** For intermediate knitters  
You don't need any prior knowledge in Swing-Knitting™ to knit the Spring Plumage cardigan!
